	 At waste separation areas in Molo Umberto I and Piazza della Libertà   Waste collection bin located in Piazza Martiri Olivetta

Thanks to the commitment from everyone in 2015 we reached **66%** of waste collection by category.

This is a great result, but we can reach even more significant milestones. In 2016 we aim to increase the level of waste collection by category in Portofino.

Be part of this by carefully separating all recyclable materials
